IN RE:  LITTLE SIOUX CORN PROCESSORS, L.P.	DOCKET NO. P-847
---	------------------

**PIPELINE PERMIT**

(Issued September 6, 2002)

Permit No. 1204 Lateral Little Sioux

Permission is granted to Little Sioux Corn Processors, L.P., Marcus, Iowa, to construct, operate, and maintain a pipeline in Cherokee County, Iowa, for the transportation of natural gas at a maximum operating pressure of 270 psig for approximately 0.85 miles over the route attached to and incorporated by reference in this permit.

Permit No. 1204 is granted subject to the provisions of Iowa Code Chapter 479 (2001), 199 IAC and the August 29, 2002, "Proposed Decision and Order Granting Permit" issued in this docket. Permit No. 1204 shall be effective until September 6, 2027, unless revoked, terminated, or amended by the Utilities Board.

**UTILITIES BOARD**

/s/ Diane Munns  
Chairperson

ATTEST:

/s/ Judi K. Cooper  
Executive Secretary

Dated at Des Moines, Iowa, this 6<sup>th</sup> day of September, 2002.

## Exhibit A: Legal Description

The line originates in the southwest quarter (SW  $\frac{1}{4}$ ) of the southwest quarter (SW  $\frac{1}{4}$ ) of Section 35, Township 93 North, Range 42, West of the 5<sup>th</sup> prime meridian, Cherokee County, Iowa. At this location, near the intersection of 480<sup>th</sup> Street and E Avenue, Northern Natural Gas Company (NNG) will construct a new interconnect and town border station on its interstate natural gas transmission pipeline.

The Little Sioux Corn Processors' pipeline will proceed east from the town border station inside an easement on private property along the north side of the 480<sup>th</sup> Street public right-of-way through the following quarter sections:

- Southwest quarter (SW  $\frac{1}{4}$ ) of Section 35, Township 93 North, Range 42, West of the 5<sup>th</sup> prime meridian, Cherokee County, Iowa.
- Southeast quarter (SE  $\frac{1}{4}$ ) of Section 35, Township 93 North, Range 42, West of the 5<sup>th</sup> prime meridian, Cherokee County, Iowa.

The pipeline then turns due south and crosses under the 480<sup>th</sup> Street right-of-way at a right angle and enters the:

- Northeast quarter (NE  $\frac{1}{4}$ ) of Section 2, Township 92 North, Range 42, West of the 5<sup>th</sup> prime meridian, Cherokee County, Iowa. The pipeline terminates in this quarter section. The north half (N  $\frac{1}{2}$ ) of this quarter section is owned by Little Sioux Corn Processors.

The pipeline will be located in private property for its entire length, except where it crosses the 480<sup>th</sup> Street (a secondary road) right-of-way. The easements to be obtained from private landowners will consist of a strip of land generally 50 ft. wide paralleling the 480<sup>th</sup> Street right-of-way along the route.
